Pagers, Cell Phones, Ipods, and anything else that resembles the aforementioned

Out of courtesy for all those participating in the learning experience, all cell phones, pagers, etc., must be turned off before entering any classroom, lab, or formal academic or performance event. Students should also refrain from using phones to send and receive text messages during class. I reserve the right to ask any student using the above devices during class to leave class and count that day as an absence.
